LETTER FROM THE CHAIRMAN

The Brighter Days Foundation, Inc. is a non-profit organization founded by Vic Beasley Jr. The mission of the foundation is to provide financial assistance, education, and motivation to empower and inspire people of all ages to achieve peace of mind, a better life and social excellence with the promise of brighter days ahead. Born to shine.

On behalf of Brighter Days Foundation, I would like to invite you to be part of our 8th annual 5-on-5 basketball tournament. Every year we get the Joy of connecting with families, new/former athletes and watching you compete for a cause. The payout for this year's tournament will be **\$50,000.00**. Half of the earnings will go to the winning team (evenly distributed amongst players and coaches) and the other half will benefit the non-profit organization of the team's choice. Our early deadline to participate is June 1st, 2025. We appreciate your commitment to our 5 on 5 Basketball Tournament and look forward to seeing you soon.
